

Youth Tennis San Diego will hold our Annual *MatchPoint Ball* on **Friday, November 13, 2009** at the Barnes Tennis Center. Please join us in celebrating 20 years of After School Tennis (AST).

We are pleased to announce that **Dick Gould**, past coach of Men's tennis at Stanford University, will MC and speak at our dinner. Dick coached Men's tennis for 38 years and during that time his Stanford teams won 17 NCAA championships. He is now the Director of Tennis at the John L. Hinds Tennis Center at Stanford. Along with his College responsibilities Dick has been involved in tennis and education with youngsters in the East Palo Alto area. These children have many of the same challenges our AST children face.

YTSD's major challenge this year is the need for funding in order to keep our doors open and accomplish our mission. We do not lack vision, ideas, or enthusiasm but the commitment to finding sufficient funds today to safeguard YTSD's financial vitality while working toward a progressive and stable future is ongoing.

This wonderful celebration will help to raise funds for students enrolled in Youth Tennis San Diego's county-wide system of programs, college scholarship fund, tournament play from beginner to national level, and the upkeep of our 12.5 acre tennis facility. Our outreach program, After School Tennis (AST), is celebrating 20 years of service to the San Diego Community. AST is located at over 100 school and park and recreation sites serving over 10,000 children annually during critical hours after school. 93% of the students enrolled in the After School Tennis Program are on school "free lunch" program and participate on scholarship. The central site for our youth programs is the George Barnes Junior Tennis Center.

Our evening will include on court activities showcasing players from all YTSD programs followed by a silent auction, dinner and live auction. This night will be a casual evening of fun and support for the tennis and education programs offered to thousands of children in SD County.

The first lucky 180 people to respond will be able to join us as our dinner seating is limited. Don't miss out! Dress is casual cocktail – or wear your school colors.

We want to thank you for your past support and we hope you can join us for this evening of celebration.
